DRAWING, DESIGN, CONSULTANCY, MANUFACTURER OF ALL KIND OF WATER

AND

WASTE WATER TREATMENT PLANT

Our Offices

Regd. & Head Office : Engeotech Tower, NH-53, Service Road, Bareipali, Sambalpur (OD)

Other Contact Offices : Bhopal, Nagpur, Bhubaneswar, New Delhi, Hyderabad, Kolkata

ABOUT US

We are a MSME registered company with UDYAM No. **UDYAM-OD-28-0022304**

We have a well organized manufacturing unit which enables us to meet the requirements of the clients.

Using the latest technology for the fabrication of our products, we assure our clients with low maintenance products which are highly efficient.

We are a **ISO 9001:2015, ISO 14001:2015, RoHS & CE** certified company.

Our Product HSN Code: 84212190, 73090010, 84212900

EXPERTISE

- Drawing, Design, Consultancy, Supply, Erection & Commissioning of all kind of Water & Wastewater Treatment Plants.
- Survey Works related to Sewage Treatment, Drinking Water Supply, UGD Network, Ground Water.
- Operation & Maintenance of STP, ETP & WTP.
- Maintenance of piped drinking water supply in villages.

AREAS WE SERVE

Govt/PSU Sectors

- ❑ Rural
- ❑ Panchayat
- ❑ Medical Colleges & Hospitals
- ❑ Schools & Colleges
- ❑ Hostels
- ❑ Power Plants & Other Industries
- ❑ Offices
- ❑ And many more

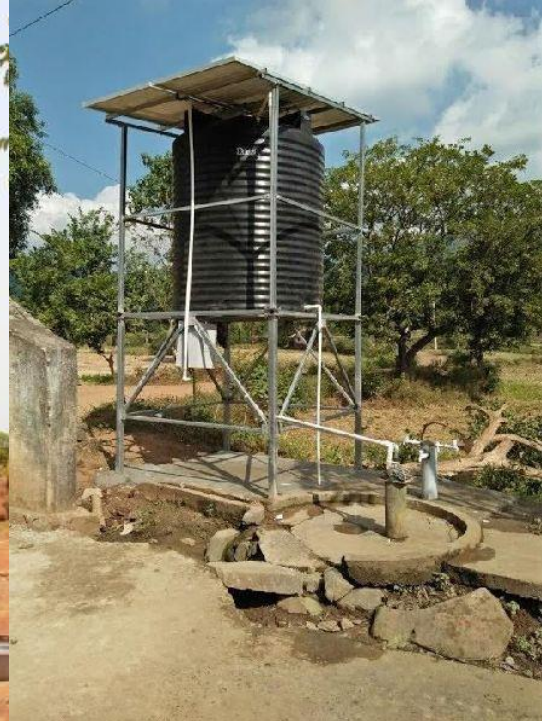

Private Sectors

- ❑ Housing & Residential Complex
- ❑ Resorts & Clubs
- ❑ Commercial Complexes & Shopping Malls
- ❑ Hotel Industries
- ❑ Power Plants
- ❑ Textile Industries
- ❑ Bottling Plants
- ❑ And many more

RURAL WATER SUPPLY

Rural water supply schemes for Tribal is the strategy of state government to provide **drinking water** facility in tribal areas also. Regional **water supply scheme**, individual and mini pipe **water supply schemes**/ Hand Pumps are planned to provide **drinking water supply** facility.

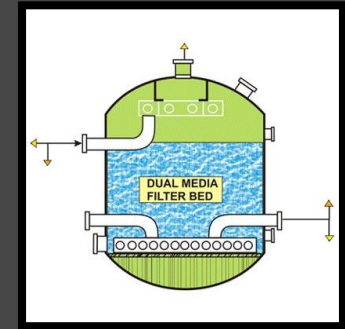

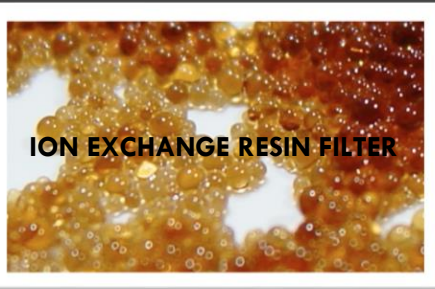

RURAL SOLAR HAND PUMP WATER SUPPLY

Features

Hassle free operation

Minimum maintenance

Low power consumption

RURAL IRON/ARSENIC/FLOURIDE REMOVAL PLANT

Areas Effected

Dantewada, Bastar, Kanker, Narayanpur, Rajnandgaon, Durg, Kawardha.

Due to major mining activities in this area people's health, soil & water quality deteriorated significantly.

RO Filtration Plant

INSTALLATION AREAS ARE:

- ▣ Govt. Schools & Colleges
- ▣ Gram Panchayat Offices
- ▣ Block/Tehesil Offices
- ▣ Govt. Hostels
- ▣ Rural areas & many more

Packaged Sewage Treatment Plant(PSTP)

ADVANTAGES

- ❑ Cost effective
- ❑ Installation in days
- ❑ Land required few yards
- ❑ Fully automatic
- ❑ Simple to operate
- ❑ Low power consumption
- ❑ Low maintenance level

Containerized STP

ADVANTAGES

Compact: Less space required

Economic: Less power consumption

Water Conservation: Recycling of water

Fast: Less Installation Time

Technology: MBR (Membrane Bioreactor)

Benefit: Sludge generated is reusable in agriculture

Consumables: Less consumable cost per litre treatment

Other Works We Do Are:

- ❑ Pond Construction for Water Storage & Drinking Water.
- ❑ Rain Water Harvesting.
- ❑ Waste Water Recycling.
- ❑ Ground Water Recharging.
- ❑ Deep Borewell/Hand Pump Repairing & Boring
- ❑ Construction of underground tank for storage of drinking water & rain water.
- ❑ Construction Biogas Plant.
- ❑ Public Park Development
- ❑ Operation & Maintenance of piped water supply schemes under Gram Panchayat
- ❑ Solar LED Street Light Installation.
- ❑ All types of awareness & training program.

Lets See Some Works We Have Done

Sewage Treatment Plant (50 KLD) at Aroygam Multicare Hospital, Sambalpur, Odisha

- Technology- Extended Aeration FAB Based.
- SKID Mounted MSFRP Unit.
- Sewage water recycled to reuse for floor washing & gardening.

104 MLD WTP- Bhatpara Municipality

Technical Consultancy of 104 MLD Water Treatment Plant (Bhatpara Municipality)

40 MLD STP- Sambalpur Municipality (Odisha)

- Pipe Laying Work in progress.
- Pipe Diameter ranges between 100 mm to 1600 mm.
- Types of UGD Pipes being used in this project are Stone Ware or SW Pipes, DI Pipes, RCC Pipes.

40 MLD STP- Sambalpur Municipality (Odisha)

20000 LPD ETP- IDL Explosives Ltd.

**20000 LPD
Nitrate Removal Plant
installed
@
IDL Explosives Ltd., Rourkela.**

0.5 MLD STP- Vikash Group, Bhawanipatna

AN ADVANCED FULLY AUTOMATED
**0.5 MLD ZERO LIQUID DISCHARGE
SEWAGE TREATMENT PLANT**

EPC
CONTRACTOR

**0.5MLD
Sewage Treatment Plant
installed
@
Vikash Edu Services LLP,
Bhwanipatna, Kalahandi.**

Package 45 KLD CETP at Romalinda Hospital, Madhyamgram, Kolkata

Hand Pump Attached With Fluoride Filter

An **Innovative Technology** where electricity is not required to get purified water.

Installed States Name

Odisha, Assam, West Bengal

BLUDROP-Make Life Healthier (Make In India)

BLUDROP brand is a **Make In India**
6 Stages RO Water Purifier Product.
It has received highest quality
certifications like **ISO 9001:2015, ISO**
14001:2015, RoHS & CE.

ENGEOTECH AQUA ENGINEERS
is the sole owner of the Brand
“BLUDROP”

Engeotech Aqua Engineers

An ISO 14001:2015 Environmentally Certified Company

In Collaboration With

ARC Energy USA

Energy, Environment and Technology Solutions

Brings the latest green and eco-friendly technologies

- Solutions to the existing issues like excess amount of flouride & iron in ground water.
- Simple but effective filtration system made in USA.
- Micro Hydro Electricity
- Ecofriendly self sufficient STP, ETP, WTP, Green Homes.
- Solid Waste Management System with plasma technology.
- Automatic floor cleaner robot.
- 30% efficiency solar panels.
- Water from Air Panel
- Geothermal heating & cooling system for villas, apartments.

Our Team

We have a diligent team of professionals engaged in meeting the demands of the clients.

Our team is well organized and highly skilled towards achieving the goals of the organization.

The team segregated into different groups on the basis of their relevant experience.

Engaged towards delivering qualitative products and services at the given stipulated time frame.

Our team include the following professionals :

- ▣ Quality Analysts
- ▣ Experts
- ▣ Engineers
- ▣ Installation Experts
- ▣ Skilled Labor

Promoter Profile

Sukant Kumar Meher (M.Sc-Environmental Science, IIMA-Strategic Management)

Founder Chairman & Managing Director

- ▣ Social Entrepreneur cum Innovator
- ▣ More than 20 years of experience in IT, ITeS, Waste Water Management & Renewable Energy Industry Sectors.
- ▣ Strong analytical skills and knowledge of statistical analyses, project & Business management and administration
- ▣ Proactive leader and planner
 - Expertise in strategic planning and market plan execution
 - Account management and
 - Pre-sales efforts with skills in staffing and targeted marketing
- ▣ Rich entrepreneurial and leadership experience of running established businesses as well as creating new ones.

Few Clientele Snapshot

Few Govt. Sector

- Sambalpur Municipal Corporation, Odisha
